Administrative

Assignment:

Duties allocated by University in Youth Fest and Student Elections

Personal Achievements/Distinctions/Seminar/Paper-Presentation

More than 30 conferences attended, Presentation 25, Recognition award by ISGBRD Agra, Refresher course in Genetics & Molecular Biology.

Membership of academic bodies

Life time Member of "Society of Immunology and Immunopathology".

Life Time Member of "Indian Society of Genetics, Biotechnology Research & Development"

Editorial Board Member

Research and Review: Journal of Immunology (ISSN 2277-6206)

Research and Review: Journal of Computational Biology (ISSN 2319-3433)

OA Alternative Medicine, (ISSN 2052-7845)

WebMedCentral, (ISSN-2046-1690)

Research area of Interest

Pollutant degradation, Phytomedicine, Drug resistant Bacteria, Proteomics, Immunology, Cloning, Bioinformatics, Molecular and Microbiology

Recent Publications/Documentary Contributions

Published paper (National, International)- 37; Chapters in Book – 7; Total Citation 360; H Index – 10, I10 index – 11

Research in Hand

Supervising and co-supervising M. Sc. IV semester Biotechnology Project work – 6.
